To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Ratifying the County Mayor or County Mayor's Designee Action in Applying for, Receiving and Expending Grant Funds from the National Association of Victims of Crime Act Assistance Administrators

Agenda Item No. 3(B)(3)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution ratifying the County Mayor or the County Mayor's designee action of applying for, receiving and expending \$5,000.00 in funds from the National Association of Victims of Crime Act Assistance Administrators (the Association) through a grant from the Office for Victims of Crime within the Office of Justice Programs of the United States Department of Justice. The recommendation also included executing a grant agreement. The grant funded the promotion of community awareness of crime victims' rights and services during 2015 National Crime Victims' Rights Week in late April, which was themed "Engaging Communities. Empowering Victims."

It is also recommended that the Board authorize the County Mayor or the County Mayor's designee to apply for, receive and expend additional future funds up to the amount of \$5,000.00 should additional funds become available under this program for the purpose outlined herein.

SCOPE

The grant funded an information and resource fair and recognition ceremony in April 2015 geared towards celebrating the success and accomplishments of victims who have changed their lives as well as recognizing community partners/advocates whose efforts are positively impacting the lives of victims in Miami-Dade County. The information provided during the resource fair was used to increase general public awareness and knowledge about the wide range of rights and services available to individuals who have been victimized by crime. Furthermore, the event was aimed not only at increasing collaboration, and civic engagement at a local level; but to increase the understanding of crime victimization and the availability of services for victims countywide and among key community leaders.

FISCAL IMPACT/FUNDING SOURCE

The resource fair did not create a fiscal impact to the County. The index code for the grant is COEVPVAVNDE12.

TRACK RECORD/MONITOR

The County through its Community Action and Human Services Department (Department) has provided services to victims of crimes for the past 34 years. The Violence Prevention and Intervention Division Director, Ivon Mesa, is responsible for the oversight of this agreement. The Violence Prevention and Intervention Division provides a variety of advocacy and supportive services to people who have been victimized by crime.

BACKGROUND

The Department received funding, from the Association through a grant from the Office for Victims of Crime within the Office of Justice Programs of the United States Department of Justice. The grant was used to promote community awareness of crime victims' rights and services during 2015 National Crime Victims' Rights Week in late April 2015 (Attachment A).

This annual observance, first designated by President Ronald Reagan in 1981, seeks to increase general public awareness of, and knowledge about, the wide range of rights and services available to people who have been victimized by crime. Since 2004, the National Crime Victims' Rights Week Community Awareness Project has provided financial and technical assistance to more than 720 community projects that promote victim and public awareness activities, and innovative approaches to victim outreach and public education about victims' rights and services during National Crime Victims' Rights Week. The Department through its Violence Prevention and Intervention Division was one of the 90 projects selected for funding out of 194 applications that were submitted nationwide.
